A close-up, low-angle photograph of a woman with dark skin and long, dark braided hair. She is lying on her back on a light-colored, textured surface, possibly a massage table. A light-colored, folded towel is draped over the back of her head. Her eyes are closed, and she has a serene expression. Her skin is glistening with oil or lotion. A hand with red-painted fingernails is visible on the left, holding a small green object, likely a massage tool. The lighting is soft and warm.

Where Serenity...

Meets Self-Care.
